## WALKER BACK IN QUEEN CONTEST

### SPARDI GRAS HEADS PROMISE BIG CELEBRATION NEXT FRIDAY

After a week of hot publicity campaigns which attempted to out-Hollywood the movie capitol itself and included every kind of media from ice statues to phony accidents, members of the Spardi Gras committee are today hopefully looking forward to one of the best celebrations of the annual event in its history.

Willard "Unc" Hillyer, chairman of the Entertainment committee has announced that the stage is set for a gala day full of new and novel entertainment. The program for the all-college carnival will list the names of the mayors of San Jose and Santa Clara, as well as other local dignitaries who will act as judges and lead the grand procession during the carnival.

Hillyer has gathered a collection of entertainment that promises to give the Spardi Gras crowd something new in novelty songs and other music.

Listed as entertainers for the afternoon program are: Joe Castro's jazz combo; Betty Louthan and Don Brown, singers; Ero Trio; Ditz Webster, Bill McDiarmid, Bob MacFadyen, specialty acts; and Frank Blake, impersonator, who made a big hit at the recent La Torre show with imitations of Al Jolson and the Ink Spots.

Bern Bernardino will be the master of ceremonies at the program this year, according to Hillyer.

Other entertainment will be the annual pie eating contest, which has been changed from speed event to an endurance event, as well as the judging of the various events such as the Whiskerino, and the Costume contests.

### Mixer Cup at Stake In Frosh-Soph Tilt

Possession of the mixer cup will go to the winner of the Frosh-Soph mixer tomorrow, according to Jean Welsh, chairman of the event.

Sophomores won the fall quarter mixer, while the freshmen won in the winter term by a narrow margin.

Chairman Welsh has arranged the following program: tug-of-war, 12:20; basketball, 1:30; baseball, 2:30; badminton, 3:30; volleyball, 4:30.

All but basketball and the tug-of-war are for men and women. A dance will follow the afternoon program. It will be from 8 to 12, in the Women's gym. Points will be awarded to each class on the basis of attendance.

Pat Walsh and Ray Bishop, sophomore and freshman class presidents, respectively, urge all members of their class to participate.

### Ranger to Discuss Forestry Jobs

Summer job opportunities with the State Division of Forestry will be among the subjects discussed by George Britton, state forest ranger, at a picnic meeting of the San Jose State college Forestry club at Alum Rock park tonight.

According to Art Retan, club president, members and their friends will assemble in front of the Science building at 6 o'clock and then motor to the park.

### APO'S Sponsor Full Moon Dance Saturday Night

Alpha Pi Omega's tenth annual Full Moon dance will be held Saturday evening in honor of its 16 pledges at the Green Hills Country club from 9 to 1. Music for the dressy affair will be furnished by Stan Robinson and his 11 piece orchestra. Bids may be purchased at the booth in the Library arch for \$2.40.

"Alpha Pi Omega takes pride each year in selecting the best available band and location for its annual dance," states President Marley Darneal, "and presents the dance as a non-profit affair."

### Child's Pet Killed; Witnesses Wanted

A little child's playmate was killed yesterday on 5th street, and at least a few San Jose State college students were witnesses.

Mrs. D. F. Ahrens, 38 South Fifth street, called the Spartan Daily office yesterday in hopes of reaching the students who saw a truck run over her family's pet shepherd dog, and drive on without stopping. If any student witnessing this accident noticed the name of the trucking concern, call Mrs. Ahrens at Col. 2031J.

### DR. GEORGE BRUNTZ ADDRESSES SENIORS

Dr. George Bruntz, social science instructor, will discuss Russian-American relations at senior orientation today at 11:30 in the Little Theater.

Final plans for the senior day at the beach Sunday also will be made at this time. Location for the outing will be Cowles beach, Santa Cruz. Following the day's activity Mrs. Phyl Lamborn has invited council members to her home for steak barbecue.

### Senate May Aid West

WASHINGTON, May 14 (UP)—Chairman Kenneth Wherry, R., Neb., of a Senate Appropriations subcommittee, said today that Westerners battling for restoration of House-slashed reclamation funds stood a good chance of getting more money from the Senate.

He made the statement after governors of three western states urged his subcommittee to restore the 50 per cent reduction in Interior department funds voted by the House.

### REINSTATED YESTERDAY BY A 7-1 VOTE OF CAMPAIGN MANAGERS

Joyce Walker, Spardi Gras queen candidate sponsored by Pratt Hall and Varsity Hall, was back in the running today after the campaign managers of the eight other contestants reversed, by a 7 to 1 vote, a previous decision of the Spardi Gras Executive committee that she be disqualified.

Miss Walker was taken out of the race by the Executive committee Tuesday as the result of a publicity stunt which caused city police and ambulance services to respond to a fake accident report. Loud objections to the committee's ruling in the matter by the ousted queen's supporters and other campaign managers ended in a new decision which reinstated her, but seriously curtailed any pre-election campaigning in her behalf.

The rally scheduled for last night, which was to parade blonde Miss Walker's qualifications for queen of the annual all-college festival, was cancelled by the Executive committee as is all future publicity leading up to the preliminary elections tomorrow.

### THREE WILL BOW IN FINAL RALLIES

By MAX MILLER

The final wind-up of campaign rallies for candidates in the Spardi Gras Queen contest will get under way tonight at 7 o'clock in the Morris Dalley auditorium when Lenore Curtice, Claire Cummins, and Leslie Dunbar will take their last bows at an assembly of on-lookers before the polls open in the preliminary elections tomorrow.

Miss Curtice, who is sponsored by Kappa society, will lead off by making the first appearance in the two-hour show. She will be followed by brunette aspirant Miss Claire Cummins, sponsored by Sigma Gamma Omega and Zeta Chi, and Leslie (Bev) Dunbar, freshman class candidate in the contest. Each candidate will be allowed to make an half-hour appearance. Music and other entertainment during the show is to be provided by student talent under the auspices of the organizations sponsoring each candidate.

Merton Root, chairman of the contest, has announced that the preliminary election, in which the three highest candidates are to be chosen for a final run-off, will take place tomorrow.

### ALPHA PHI'S TO HOLD DANCE

A semi-formal pledge dance will be held at the San Jose Country club Saturday evening by Alpha Phi Omega, national service fraternity.

"Fraternity members voted to make this a closed affair but with the stipulation that friends of members will be invited," stated President Harold Riddle. "The music will be furnished by Kenny Taix and his orchestra."

### Danish Athletes To Appear Soon

Strength, flexibility, and coordination will be exhibited by 40 young Danish athletes of college age who will appear Thursday, May 22, in the Men's gymnasium at 8 p. m., under the auspices of the Women's P. E. department.

All amateurs, the team has been touring the United States and Canada on a good will mission, launched by contributions from their own savings, assisted by their families and aided by the Danish educational foundations and the Flensted-Jensen Fund.

Erik Flensted-Jensen is the leader of the team, which will feature folk dancing as well as calisthenics.

### FROSH CAMP HEADS CHOSEN

Dot Moody and Dick Knox, co-chairmen for next year's Freshman Camp, have released the names of students who have been approved by the camp committee and who will serve as counselors next year.

"All of these students must attend the meeting tonight at 7:30 in room 117," said Knox, "if they still wish to go to camp. If they are not at this meeting," he warned, "their names will be dropped from the list."

Counselors for Freshman Camp are:

Margaret Bankston, Dick Bar-

### Wallace Attacks Truman Aid Bill

CHICAGO, May 14 (UP)—Henry A. Wallace charged tonight that the Truman administration is "playing politics with the misery of Europe."

The former Vice President and Cabinet member, on a nationwide tour in opposition to the "Truman Doctrine," spoke at a mass meeting in Chicago stadium, which seats 20,000 persons, and was sold out for the meeting.

Wallace denounced Mr. Truman's plan for military aid to Greece and Turkey. He called for support of his own plan for U. S. loans—which would total \$150,000,000,000 over a 20-year period—to all nations of Europe and Asia, including Russia.

### Taft Accuses Labor

WASHINGTON, May 14 (UP)—Chairman Robert A. Taft of the Senate Labor committee tonight accused labor leaders of "pure demagogery" in charging that business organizations wrote the Senate Labor Bill.

In a broadcast speech (ABC), Taft defended the bill which was passed on a 68-24 vote yesterday and sent to conference for adjustment of differences with a stricter measure approved by the House.

### WOODWIND RECITAL PLEASES LITTLE THEATER AUDIENCE

By MARGARET MOORE

It was a pleased audience which left the Little Theater last night after hearing the Woodwind Choir under the direction of Mr. Thomas Eagan, of the Music faculty, in its annual Spring concert.

Three soloists were featured on the program, Roderick Swearingin, hornist; Max Hagemeyer, cellist, and Dorothy Fouch, flutist. Mr. Hagemeyer's two selections were of pleasing contrast together and with the other music

on the program. He played Bach's "Arioso" and "Allegro Appassionato" by Saint-Saens.

Mr. Swearingin played a difficult composition, Mozart's "Concerto for French Horn No. Three" with fine technique. The French horn is not a woodwind instrument but its quality blends into the woodwind music so well that Mr. Eagan decided to combine the two.

Bright and colorful, Mouquet's

"La Flute de Pan" was in proper hands with Miss Fouch who played the intricate selection with finesse. It is regrettable that Miss Fouch is a graduating senior and will not be able to play with the Choir when it resumes its touring next year.

The Choir opened the concert with Gounod's "Petite Symphonie" and concluded with Strauss' "Serenade for Wind Instruments."

## BLUE CARDS

"Into each life some rain must fall," but don't feel that too much is falling into yours when blue cards make their gloomy rounds this week.

Justification for the existence of blue cards cannot be fully appreciated if the student feels that they are sour-grape warnings of impending failure. A college faculty instructor seems to have summed their purpose up more accurately when he said that they should be looked upon as special invitations to an "Andy Hardy-sort" of conference with the instructor involved.

True, a confidential chat with the instructor may not materially improve our standing in class, but often doubts, fears, and difficulties can be clarified through such a procedure.

In due fairness to ourselves and to our system of education, we should thoroughly challenge, and endeavor to understand the full implications of every blue card.

## Off the Wire

U. P. Wire

UNITED NATIONS HALL, Flushing N. Y., May 14 (UP)—Russia called today for establishment of an independent, Jewish-Arab State in Palestine, or, if the two peoples can not live together peacefully, outright partition of the Holy land.

WASHINGTON, May 14 (UP)—Alarmed by spreading unrest and food strikes in western Germany, the War department tonight announced emergency measures to rush more than 1,200,000 tons of food into the American and British-occupation zones by July 31 to meet the crisis.

Secretary of War Robert P. Patterson said regularly scheduled food shipments to Germany are being speeded up and increased to the maximum extent possible to cope with the situation and that the German food ration will be met from here on.

HOLLYWOOD, May 14 (UP)—Screen star Robert Taylor today told the House UnAmerican Activities committee he was forced to appear in a movie which he felt contained Communist propaganda.

## Thirteen Pledged For Knighthood; Begin Hell Week

By HAPPY LABEE

There are still some brave men on campus! And their group totals to the mystic number, 13. They are the men who will struggle through Hell Week, or high water to join that friendly circle of square guys, the Spartan Knights.

The valiant thirteen, who were pledged to squirehood Tuesday night include: Dave Moore, Joe Juliano, Phil Robertson, Bob MacFadyen, Dick Morton, Sam Lawson, Bruce McNeill, Wayne Fontes, Bob Barmettler, Jack Elmer, Jim Waterman, John Peterson, and Jack Reiserer.

The Earl of the Spartan Knights, Fred Albright, will be in charge of Operation Hell Week. The dauntless daredevils will be seen next week performing equestrian capers about the campus. They will also endeavor to better the excellent entertainment offered during the last Hell Week.

## FRANCINE VIES FOR ROLE OF SPARDI QUEEN

QUEEN PUBLICITY

A girl has to have quite a bit on the ball to be nominated for Spardi Gras queen. Besides being the best looking girl in the sponsoring organization, she must have the personality and friendliness to make her a strong candidate.

Such a queen candidate is Francine Harpole. A little bit about Francine. She is a second year psychology major from San Jose and a member and reporter of Beta Gamma Chi.

Last quarter Francine attained prominence in Revelries when she appeared in the third act as "Hollywood." She also has been a model for several photographic studios in town.

As for vital statistics, Francine is 5 ft. 6 in.; has green eyes, and sun bleached light brown hair. Days on the beach at Santa Cruz have given Francine a really lush tan.

Francine's campaign has featured her as a calendar girl, and appropriate posters have carried out this theme.

There is no doubt about it, Francine Harpole is a queen.

## Classified Ads

FOR SALE: Airline floor radio, \$25. Carved carpen chesterfield set, \$150. 596 Raymond avenue, Burbank.

## JUST AMONG OURSELVES

By DR. T. W. MacQUARRIE

After all, the college work is more important than any "activity." Queens, Spardi Gras, athletics, dances, "trips" are all good—but not if they displace and disrupt the college program.

So Spardi Gras is on trial. For some years it has been sort of "throwing its weight around," and it may now be time to think of something else.

That has been the experience in all colleges. A "tradition" starts out modestly enough—in fact no one knows it's a tradition—and right away the promoters move in and it begins to grow. It grows and grows—finally it becomes so big that it pushes itself right off the campus.

Of course we could have it on Saturday, but there would be no thrill in that.

So there is an agreement this year that we'll try to keep it within bounds. It will be limited strictly to Friday afternoon, that is, it will not interfere with the college work Friday morning. The program will start at 1:30. Classes for the day will be dismissed at 12:20. No one is to wear a costume in class that day except that commuters may wear such garments as they cannot well discard.

I hope you may have a decent good time this year. I hope we may have Spardi Gras with us for many years.

## FROSH CLASS GOES ALL OUT FOR LESLIE

QUEEN PUBLICITY

Yes, it's Les.

This year's freshman class has gone all out in campus activities. Whenever it went in to anything, it attempted to put it over with a bang. The frosh always band together to come out on top with flying colors.

Here we are again. With the idea of nothing but the best for the class of '50, we have selected for our Spardi Gras queen candidate, Miss Leslie Dunbar of Palo Alto. Besides participating in many school activities, Leslie acts as adviser for the Rainbow Girls and has been chosen mascot of the ski team.

Leslie is friendly, charming, and easy to look at. She is the type of girl who, with her radiant personality, brightens the life of all who know her.

We want you to know Leslie. Feel free to walk up and introduce yourself. You, too, will realize that here is the girl who should occupy the throne on Spardi Gras Day.

## SMYTHE LEADS JV TRACK WIN

By PAUL VON HAFFTEN

Led by Roger Smythe, Dick Kaufman and Paul Glansiracusa, the Spartan junior varsity trackmen trounced the Bellarmine Bells from Santa Clara 85-16, yesterday afternoon at the Spartan stadium.

The outstanding start of the afternoon was Smythe, who took three first places. He won both the high and low hurdles and also the broad jump. His times in the low hurdles was 19.3, while he jumped 20 feet and 8 inches. Kaufman also starred for the Spartans as he took both the sprints. He did the 100 in 10 flat and the 220 in 22.1.

Glansiracusa was the outstanding man in the field events. He did an excellent toss of 132 feet in the discus and 42 feet and 9 inches in the shot-put. Stu Inman, John Lamont, and Johnson and Don Bates were the other first place winners for the Spartans.

Captain Bernie Hoffman of Bellarmine turned in the outstanding feat of the day as he captured the 880 yard run in the good time of 2:04.1. This was Bellarmine's only first place. He also ran a beautiful race in the relay which the Spartans won in 1:35.2.

## WAA PLAYS BALL

Three softball games were played by women's teams Tuesday in the league sponsored by the WAA.

Results of the games are: Fly Swatters 22 to 0 over Balls of Lightning; CWC 4 to 3 over the Ero Sophians; and Hansen's Blue Frogs 10 to 0 over the "Y" team.

SPARTAN DAILY

## SPORTS

### DGS'S AND 357 TAKE SOFTBALL

Hank's All Stars and the 357 squads won yesterday's Spartan Daily league contests played on the San Carlos turf. The 357 squad dumped the Spartan Daily 9-2, while the Hank's All Stars defeated the Modestans by a score of 8-5.

Delta Sigma Gammas walloped the Tri Gammas by a score of 19-4. In the other fraternity league game APO trimmed SGO by a score of 7-1. The APO squad was led by C. Marriott who hit a homer and a single.

Three homers featured the 357 squad's victory as Bob Wuesthoff, Stu Inman and John Casey clouted the four baggers. Chet Bulwa limited the Daily staff to four hits. Six runs in the last two innings enabled Hank's All Stars to triumph in their hard fought game with the Modestans.

Today's featured game will be the replay match between the Music department and the Fighting Tigers. The Chandler and Newman clash has been postponed until Monday.

### P. E. CLUB ELECTS

Officers of the women's Physical Education and Recreation majors club have been elected for next year and will be installed in June. Those elected are: Marilyn Casstevens, president; Marjorie Barnard, vice-president; Edith Williams, secretary; and Virginia Heseman, treasurer.

### Baby Derby Open

All students whose wives are expecting within the next week and a half are urged to register for the Spardi Gras Baby Derby between 1:30 and 3:30 with Dan Weck in the Publications office.

## SPARTANS STAND OUTSIDE CHANCE OVER USC IN WEST COAST RELAYS AT FRESNO SATURDAY

By WILBUR AGEE

The outcome of the West Coast relays Saturday in Fresno could depend on how San Jose's trio of discus throwers place. If Ray Overhouse, Grant Denmark, and Woody Linn can repeat their marks made in the Tiger-Spartan dual meet at Stockton last month they could take one-two-three and give San Jose State college the margin they need for a victory over the University of Southern California, pre-meet favorites.

Linn, with a mark of 156 feet 2 inches, has the best collegiate toss this year. Overhouse posted a mark of 152 feet 1 inch and Denmark tossed the platter 151 feet 6 inches.

George Ker, Tiger weightman, may be the one to upset the Spartans again in this event. Other outstanding men are: Dick Millington, California; Max Dodge, Nevada; Hienberg and Bayliss, USC; and Dick Lewis, UCLA.

In the javelin throw San Jose again rates the edge over other foes in the college division. Bob Likens should pick up a first if he continues to throw the spear over the 200 foot mark as he has done for the last three Saturdays

in a row. If Elwood Clark is able to enter he could pick up a point. However, he has not been practicing and too much can't be counted from him. His best throw this year is 196 feet.

In the 100 yard dash Don Smalley is given no better than a second place in the college class behind Mel Patton, Trojan sprinter. However, it will be a close race and anything could happen.

In the broad jump Coach Winter will enter Bill Schemmel, Tom Birmingham and Bob Erhman. However, Willie Steele of San Diego is given the first place and

unless the Spartans can get by Fresno's Dick Waterman they may not get a place.

The high jump presents the same doubt it has all season. However, if Ivan Robinson and Connie Varneck can get over the 6 foot mark it could be more points for San Jose.

In the high hurdles San Jose will rely on Jack Passey. Several are capable of winning this event but if Passey continues to take a second spot he could turn in his best time of the year Saturday.
